Subject: Bids for Alma's Cabin Roof Project

Hi Tim,

The "cabin committee" have reviewed the bids and we have selected Jeremiah Lindberg as our contractor for the roof project. We have also requested that he submit a bid and drawings for the cabin's foundation work and we have requested that he use a conform system.

Do you want to schedule a quick meeting to officially select this contractor - or can we do it by e-mail?

~Ellen :-)

According to the Bylaws, we can do a written vote if everyone votes. It is my opinion that a vote by email would satisfy the requirements as long as the emails are saved with the minutes of the last (or next) meeting.

Subject: Alma's Cabin Contractor Selection

The "cabin committee" has reviewed the bids and we recommend that we select Jeremiah Lindberg as our contractor for the roof project.
We have also requested that he submit a bid and drawings for the cabin's foundation work and we have requested that he use a conform system.
Our bylaws allow an e-mail vote as long as the records are kept with the minutes of a meeting - next meeting I am thinking. So, this is a roll call vote:

I, Ellen McMichael vote YES for Jeremiah Lindberg
